MAIN GOALS

Develop your **skills** in this **language**, especially your **oral** skills.

Acquire **methods** to understand a wide range of documents.

Learn how to use English in **another situation** than that of the language class.

Discover the **history** and **geography** of English speaking countries.

Study **Biology** or **Mathematics** in English.

Take part in **virtual and/or physical exchanges** with other countries.

Obtain the "**European label**" at the French baccalaureate (the European label is reputed in European universities).

Take the **prestigious Cambridge English Certificate** exam which confirms the validity of **students' level of English** (B1) thanks to a European certificate.

Prepare for post **baccalaureate studies**. Indeed, English is no longer an option for undergraduate students but rather a necessity.

WHO CAN APPLY ?

All the students who are **motivated** and **interested** in this language and culture.

They also have to be willing to take an **active part** in classes through oral interventions, in particular.

Students do not have to have attended "**European classes**".

A **motivation letter** will be asked at the end of the year 4 in order to access students' **motivation and abilities**.

CURRICULUM

The European section gives the most **determined** students the opportunity to practice more, indeed it implies :

- A weekly **extra** hour of English
- A weekly extra hour of DNL (Discipline non linguistique): **History and Geography or Biology or Mathematics in English**

The students who have attended these classes will get the "**European label**" for this diploma.
